ROASTED MALTS

LIGHT CRYSTAL MALT

Produced from well modified green malt, our Crystal malts impart the classic sweet, caramel, raisin-type flavour notes that can contribute reddish hues to beer colour.

Used in all beer styles for colour, flavour adjustment and contributing to body, Light Crystal is a softer less intense version of our standard Medium Crystal malt.

TYPICAL ANALYSIS

	IOB	EBC	ASBC
MOISTURE % MAX	4.5	4.5	4.5
EXTRACT DM (MIN)	275	77	77
